PLAN SUMMARY

A one-day, comprehensive touring plan of the Disney Studios that includes the most popular attractions as determined by seniors in the Unofficial Guide surveys. Each attraction in the touring plan carries an Unofficial Guide rating of at least three stars (out of five). The emphasis is on shows and live performances, rather than thrill rides. Walking and backtracking is kept to a minimum. The touring plan keeps waits in line low. This plan includes every major attraction, including the Toy Story Land rides, plus ample time for character greetings with Mickey and Minnie Mouse, Olaf from Frozen, and Chewbacca from Star Wars. Includes Star Wars: Galaxy's Edge, which can be ridden via stand-by line or Individual Lightning Lane purchase. For more info and advice visit our Rise of the Resistance page.
