### PLAN SUMMARY

For Daytime Touring or for when the park closes early. For parties wishing to spread their Disneyland Park visit over two days and parties preferring to tour in the morning.

### PLAN SUMMARY

The following Two-Day Touring Plan takes advantage of early-morning touring and is the most efficient of all the touring plans for comprehensive touring with the least time lost waiting in line. on each day you should complete the structured part of the plan by 3 p.m. or so. If you are visiting Disneyland Park during a period of the year when the park is open late (after 8 p.m.), you might prefer our Two-Day Touring Plan B, which offers morning touring on one day and late afternoon and evening touring on the other day. Another highly recommended option is to return to your hotel around mid afternoon for a well-deserved nap and an early dinner, and to come back to the park by 7:30 or 8 p.m. for the evening parade, fireworks, and live entertainment.
